**Donations of Time:** Services make great auction items. This way, donors don't have to give up a item, but can help by giving of their time, such as the donation of Will & Testament from an Attorney, or an oil change and car wash from a local car dealer.

**Package Deals:** Combining several small items, gift certificates, etc. into a package makes a valuable gift that will raise much more money in an auction than a single item alone. Feel free to be creative and make a gift basket with a specific theme, or donate individual items or gift certificates that we can combine with other's we receive.

**Keep in mind that your donation of one or more items, gift certificates or services valued at \$200 or greater will entitle you to receive the same Sponsorship Recognition and benefits as a cash donation of the same amount!**
